RE: Hull CMOM AOC draft

February 25, 2016

Dear Mr. Turin,

I have met internally with our contract operator and with the Town Manager to review the Order and to understand all that it contains.

We have hired Tighe & Bond Engineering from Dedham, MA to go further into detail and prepare a response for you. We estimate this process to take approximately 2-weeks to complete.

Would it be possible for you to come to Hull to meet with us at the Town Hall the week of March 14th to go over everything?

Thank you in advance for your help.

Respectfully,

Jim Dow, Chief Facility Manager
Hull Wastewater Treatment Facility
